TO

### ONE THING TO TRY

Keep one unsweetened Freddo as your benchmark. Compare the same coffee with 2 g and 4 g of syrup. Notice what changes.

### ONE THING TO TRY

Express a fresh strip of orange peel over the cup. Aroma can brighten a drink without adding another spoon of sugar.

**ONE THING TO TRY**

Infuse thyme in water before combining it with honey. Adjust the herb and sweetness separately; keep the coffee clear.

**ONE THING TO TRY**

Keep the filo crisp beside the coffee. Texture is part of the experience, and the first dip belongs to you.

**ONE THING TO TRY**

Add hot liquid to chocolate in stages. A glossy emulsion makes a smoother cup than a hurried mixture.
